Welcome to Nelson Mandela Bay

Uniting Port Elizabeth, Uitenhage and Despatch

Nelson Mandela Bay is named after former South African president, freedom fighter and Nobel Peace Prize winner, Nelson Rholihlahla Mandela. The Bay is comprised of Port Elizabeth, Uitenhage and Despatch.

Situated on the south-eastern tip of Africa, Nelson Mandela Bay boasts 40 km of magnificent golden beaches washed by the warm water of the Indian Ocean. The city's breathtaking seashore boasts pristine beaches, and along with the city's excellent accommodation facilities lure thousands of visitors to our shores annually.

Nelson Mandela Bay offers a broad range of attractions, from history and heritage, eco tourism, beaches, entertainment and shopping, business, conferencing and wildlife viewing. With a population of 1,3 million people, the city is a melting pot of cultures as it is the first meeting point of the Khoisan, Xhosa, English, Dutch and German people in South Africa.

Scenic areas to visit include Blue Horizon Bay, Seaview, Sardinia Bay, Schoenmakerskop, Cape Recife Nature Reserve, Groendal Nature Reserve Colchester and the Sundays River Mouth areas to name a few. The area has warm summers with a very temperate humidity level, while winters are mild and pleasant.

So if you want to experience the splendour, the beauty, the spirit, the freedom, the wildlife, the culture, the openness and the friendliness of the only place named after the world's greatest statesman, Nelson Mandela Bay is the place for you.

The Nelson Mandela Bay Pass

Your passport to discovering the local's best kept secrets.

The Nelson Mandela Bay Pass, a smartcard access card, provides you with free admission to a variety of attractions and activities in Nelson Mandela Bay. This includes amongst others museums, game reserves, scuba diving, art galleries, sightseeing tours and many more. It also entitles you to some great discounts. The Nelson Mandela Bay Pass offers flexibility, convenience, variety and savings. Be sure to get your Nelson Mandela Bay Pass and discover all the excitement that Nelson Mandela Bay has to offer. Simply show or transact your pass and receive the special offers available at the participating facilities. The more you see the more you save!

VALIDITY & TYPES OF PASSES

There are two main types of Nelson Mandela Bay Visitors Passes namely the 5 in 1 pass as well as unlimited access passes.

THE 5 IN 1 NMB PASS

The 5 in 1 pass is valid for 3 months and allows you access to any 5 of the offers. The 5 in 1 pass includes any five of the attractions and activities advertised and can be used on any day within the 3 month period. You also qualify for the transport discounts available on the pass for the 3 month duration of the pass validity. The pass expires 3 months from the date purchased, or as soon as 5 activities have been used.

NMB UNLIMITED ITINERARY PASSES

The unlimited itinerary passes are valid for 1 day, 2 days, 3 days, and 7 days depending on the period you want to purchase it for.

The Nelson Mandela Bay unlimited itinerary Passes are valid for use on consecutive days only. At the end of your validity period or when you have visited all the attractions, the pass will expire and will no longer allow access to attractions. Your pass will cease working at the end of the last day dependant on the number of days purchased, regardless of how often you have used it in between.

Each offer is limited to one entry or use per attraction per pass.

The smart card records when and where you first use your Nelson Mandela Bay Pass, as well as how long the pass will remain valid for. This means that regardless of what start date you give when you buy the pass, your Nelson Mandela Bay Pass is activated the moment that you first use it at an attraction or activity provider.

It is important to note that a 'day' is based on a calendar day, so should you first use your pass at 5pm on Wednesday, Wednesday is counted as day one of your pass usage.

Please note the Nelson Mandela Bay Pass offers are valid for a specific period based on the periods negotiated with each product. All passes bought are valid for use for 3 months from date of purchase / issue and have to be used within this period; however this can be extended if agreed so by Nelson Mandela Bay Tourism.

Algoa Grand Prix Indoor Go-karting

We've all wondered... what would it feel like to be a race driver? That's why we tune our cars... But what about the excitement of standing on the podium in-front of everyone knowing that you were in-fact the better driver? Algoa Grand Prix Indoor Go-Karting will give you that sought after adrenaline rush in a safe environment and provide you and your family with a fun filled day. Kids? No problem. We have Junior karts made to give them the same experience. Just, on a smaller scale. One thing we pride ourselves in is being able to provide an experience to those in wheelchairs or those too scared to drive, yet they want to be on the track. Our Double-Kart allows people to sit in the Kart while having another person next to them driving the Kart, this way, we know that nobody gets left out, bye bye FOMO.

WALMER GOLF CLUB - "LITTLE WALMER"

The Walmer Golf Club, fondly known as Little Walmer, is one of the oldest golf clubs in South Africa. It is a nine-hole course with 18 different tee-boxes. Surrounded by a brand new golfing estate, it provides any golfer with many challenging holes, regardless of handicap. Its signature hole is the par-three sixth, which is only 127 meters long, but one's tee shot must be accurate to avoid getting the ball wet in the pond, which extends right up to the green. When the estate was established in 2005, a new clubhouse was built, as well as five new challenging greens. A state-of-the-art water reticulation system ensuring well-watered fairways and greens throughout the year, was also installed. The Club House is a two-storied building with all the necessary and modern facilities. The bar will quench your thirst satisfactorily after a good round of golf. Excellent caterers provide nourishing halfway house refreshments, as well as outstanding meals at reasonable prices.
